Relevant Experience

Accenture North America Data Analytics and Visualization Job

Simulation on Forage - September 2024

- Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at Accenture.
- Cleaned, modelled and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions.
- Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders.

PwC Switzerland Power BI Job Simulation on Forage - September 2024

- Completed a job simulation where I strengthened my PowerBI skills to better understand clients and their data visualization needs.
- Demonstrated expertise in data visualization through the creation of Power BI dashboards that effectively conveyed KPIs, showcasing the ability to respond to client requests with well-designed solutions.
- Strong communication skills reflected in the concise and informative email communication with engagement partners, delivering valuable insights and actionable suggestions based on data analysis.
- Leveraged analytical problem-solving skills to examine HR data, particularly focusing on gender-related KPIs, and identified root causes for gender balance issues at the executive management level, highlighting a commitment to data-driven decision-making.

Tata Data Visualization: Empowering Business with Effective insight Job Simulation on Forage - September 2024

- Completed a simulation involving creating data visualizations for Tata Consultancy Services.
- Prepared questions for a meeting with client senior leadership.
- Created visuals for data analysis to help executives with effective decision making.

Operational Analyst: MTN Communications:

Project Gale - May 2021- July 2023

- Launching of MTN security devices in the southern part of my country,
- Responsible for analyzing and improving operations by evaluating processes, Identifying inefficiencies, and recommending solutions.
- My role involved data collection, performance monitoring, and reporting to help drive efficiency for our client's business and living environment.
